STUDENT SERVICES

Career Services
Pamela Ehlers, EdD—Director

Career Services offers career-related assistance and educational programming to OSU students and alumni through a network of career services offices located in the academic colleges as well as in the Student Union, Athletics, and the OSU Alumni Association.

Staff members assist students one-on-one in exploring academic majors and careers, offer insight into obtaining part-time jobs through online job listings and other search strategies, host nearly a dozen specialized career fairs each year, and organize Connection Sessions for students to interface with employers. Through campus recruiting, students have access to employment opportunities with thousands of employers annually. Additionally, students receive support with other career-building activities, including campus involvement, job shadowing, leadership, and volunteer experiences to develop the skills necessary for future employment.

Career development activities, including help in identifying a major well suited to a student's interests, skills, abilities, and values are facilitated by Career Consultants available in each academic college and the university Career Services office. Career Consultants assist students using various career assessments, followed by one-on-one appointments to offer additional career guidance and information on academic majors. Students can work with a Career Consultant throughout their collegiate career to build professional application materials as they explore internships, full-time employment, or graduate or professional school. In addition to individual consultations, Career Consultants offer mock interviews, career-related workshops, and other professional development programming for students. All of these services continue as students graduate and become members of the OSU Alumni Association.

Job search assistance is primarily available through the Hire System on the departmental website, HireOSUgrads.com. This site allows students and alumni to access the Hire System, where employers interested in OSU students and graduates post opportunities for full-time jobs, internships, co-ops, federal work-study positions, and part-time jobs. Additional job search and preparation tools such as Interview Stream, GoinGlobal, Career Shift and other job search resources and assessments are accessible through HireOSUgrads.com (http://www.HireOSUgrads.com).

Career Services offers a number of free and discounted job search supplies to enhance students' professional image. Examples of these include resources that address frequently asked questions pertaining to success in the job search, as well as free resume paper and thank you notes to use at career fairs and networking events. Products like portfolios and business cards are also available at a substantial discount for student use from the OSU Career Services office located in 360 Student Union.

Oklahoma State University is committed to creating and maintaining a productive living and learning community that fosters the intellectual, personal, cultural and ethical development of its students. Self-discipline and valuing for the rights of others are essential to the educational process and to good citizenship. Attendance at Oklahoma State University is a privilege and students are expected to meet or exceed the University standards of conduct both on and off campus.

The purpose of the Student Code of Conduct is to educate students about their civic and social responsibilities as members of the University community. The Student Code of Conduct outlines University policies and procedures that all students are expected to adhere to during their time at OSU. Each student is responsible for reading the Student Code of Conduct in its entirety. It is available online at http://studentconduct.okstate.edu/code/ and in print from the Office of Student Conduct Education and Administration.

Cowboy Community Standards
The Student Code of Conduct specifies the following behavioral standards that OSU students aspire to follow and promote:

• **Integrity**: Oklahoma State University students are expected to exemplify honest, honor and respect for the truth in all of their actions.

• **Community**: Oklahoma State University students build and enhance their community. They understand and appreciate how their decisions and actions impact others and are just and equitable in their treatment of all members of the community.

• **Social Justice**: Oklahoma State University students recognize that respecting the dignity of every person is essential for creating and sustaining a flourishing university community. They act to discourage and challenge those who actions may be harmful to and/or diminish the worth of others.

• **Respect**: Oklahoma State University students must show positive regard for each other and for the community.

• **Responsibility**: Oklahoma State University students are expected to accept responsibility for their learning, personal behavior and future success, and students should appropriately challenge others to do the same. Students should use judgment, be trustworthy and take personal responsibility for their actions.

1 is 2 Many
Oklahoma State University (OSU) takes acts of sexual harassment, which includes sexual violence, extremely seriously and believes that 1 victim is 2 many. Sexual harassment and sexual violence are forms of gender discrimination that are not tolerated at OSU. The university strongly encourages victims to report all acts of gender discrimination. Anyone can report instances of sexual harassment and sexual violence to Student Conduct in 328 Student Union or at 405-744-5470. For more information on sexual harassment or sexual violence visit http://1is2many.okstate.edu.

All incoming students are required to complete online sexual harassment and sexual violence training before enrolling in future semesters. Training can be complete online at http://1is2many.okstate.edu.

Allied Arts
OSU Allied Arts was established in 1929 and is the longest running university performing arts series in the state. Our priority is to broaden students’ horizons by presenting artistically rich and culturally diverse performing arts events. This series gives many students their first taste of opera, ballet, jazz, Shakespeare, or even the Golden Dragon Acrobats from China! Students, faculty and staff can purchase a subscription for all events, or individual tickets to specific shows.

To find out more, “Like” OSU Allied Arts on Facebook. Also, ticket information and the performance schedule are available at http://tickets.okstate.edu (https://na01.safelinks.protection.outlook.com/?url=http%3A%2F%2Ftickets.okstate.edu&data=02%7C7C01%7CMuthie.loff% 40okstate.edu%7C7C75357ee8e694d9091fb08d69b72400b%7C2a69c91de8494e34a230cd8b27e1964%7C0%7C636867312346791945&spi %2BKjWt5yvV0peLyDrW8%3D&reserved=0).

CampusLink
CampusLink is OSU’s student organization database offering information about over 450 student groups at OSU, student development transcript and volunteer service recording. Every student should login to CampusLink and set up their profiles since this is also where all campuswide elections are held. To login, go to https://campuslink.okstate.edu and use your okstate.edu email and password.

Fraternity & Sorority Affairs
Oklahoma State University’s award winning fraternity and sorority community is comprised of members of four governing councils: Interfraternity Council, Multicultural Greek Council, National Pan-Hellenic Council and Panhellenic Council. While the fraternal community at Oklahoma State University began more than one hundred years ago, its impact continues to flourish on campus. Today, more than 5,000 students are strong and vital members of the OSU fraternity and sorority community. We are proud to have a thriving system on campus with numerous, diverse nationally-recognized fraternities and sororities represented.

Our fraternity and sorority community offers students a unique opportunity to have a balanced college life with a focus on academic excellence, brotherhood/sisterhood, community service and responsible social interaction. Greek affiliation also allows students to make lasting friendships with individuals with similar ideals and common purposes. For more information, visit our website at http://gogreek.okstate.edu.

Honor and Service Organizations
OSU offers opportunities for personal and professional development through many nationally-affiliated honor and service organizations. These organizations provide opportunities for leadership and program development, new friendships and recognition of achievement. University-wide organizations include:

• Blue Key (junior and senior honor society) (https://campuslink.okstate.edu/actioncenter/organization/blue-key-honor-society/)
Lectures

Oklahoma State University, through its academic organizations and student groups, has a significant number of speakers each year, enriching the intellectual life on campus. Individuals, from both off-campus and on-campus, share their expertise with faculty, students, staff and town’s people on a wide variety of topics.

Many of the academic units as well as student groups invite speakers to their meetings in order to enhance the educational component of the University. These lectures are generally of interest to specific academic areas, rather than to the general campus.

The Student Government Association, through its Speaker’s Board, brings major figures in politics, entertainment and business to the campus. The Student Union Activities Board also has a speaker’s program related to topics of general student interest. Other student organizations conduct active lecture programs concerning their interest areas.

Allied Arts conducts lecture-demonstrations in conjunction with its performing arts presentations. In this manner, students can gain additional knowledge of the performing arts and its artists.

Non-Traditional Student Services

The primary goal is to assist nontraditional students, anyone with at least a two-year break in education, by providing support, information and referrals. The coordinator serves as a resource person for the entire campus community and seeks to raise the awareness of faculty, administrators and students with regard to the needs of this special group. All nontraditional students are encouraged to stop by the Department of Leadership and Campus Life Center, 211 Student Union to discuss their concerns or questions. The coordinator also advises students who have rent-related difficulties, such as landlord disputes, or who are looking for housing off-campus. Find us at https://campuslink.okstate.edu/organization/nontraditional-student-organization/.

The Center for Ethical Leadership

To meet the leadership challenges of the 21st Century, Oklahoma State University’s Center for Ethical Leadership develops and prepares students to be creative, ethical, inclusive and effective leaders. Through the collaborative efforts of a variety of academic and student affairs’ programs and staff, the mission of the Center for Ethical Leadership is to create, administer and facilitate the following leadership development activities for OSU students:

- Multidisciplinary instruction and scholarship in leadership and ethics
- Opportunities to experience, meet and interact with a variety of significant leadership speakers
- Co-curricular and service-learning field experiences
- International leadership study abroad opportunities

The Center’s Programs are divided into Curricular, Co-Curricular, and Recognition Programs. In the Curricular Programs we administer President’s Leadership Council, McKnight Leader/Scholar Program, The Leadership Study Abroad Program and The Leadership Minor Program. In the Co-Curricular Program we offer The Emerging Leaders Program (LEAD), and the Leadership-in-Residence Speaker Series. Every spring semester as part of our recognition programs we acknowledge and celebrate leaders through the Oklahoma State University’s...
President Leadership Recognition Reception. Find us at http://leadership.okstate.edu/.

**Camp Cowboy**

Camp Cowboy is an event-filled program preparing students for life as an OSU Cowboy! Campers will participate in experiences with counselors and fellow campers and learn the traditions of Oklahoma State University. All Camp Cowboy staff are current OSU students who want to meet and help the next generation. They are college students who have experienced all that OSU has to offer and are ready to share the inside scoop with incoming students. Camp Cowboy includes a ropes course, small groups, campfires, meeting OSU athletes and administrators, and much more! It is designed to prepare students to experience the best of what OSU has to offer.

The tradition of Camp Cowboy is to introduce and engage first-year students with their peers, upperclassmen, staff and faculty to provide an experience that will in-turn create a more meaningful and impactful collegiate experience.

By attending Camp Cowboy, participants will:

- Take the first step in their leadership development journey by being introduced to the diverse opportunities of engagement and involvement offered at OSU.
- Foster relationships with peers and gain valuable knowledge of vital OSU resources.
- Learn elements of the university's history along with the traditions and ethics that are core to the OSU legacy.

For more information, visit our website at http://campcowboy.okstate.edu.

**Office of Parent and Family Relations**

The Office of Parent and Family Relations advises parents, guardians, and family members of OSU students and responds to questions and concerns regarding students’ developmental issues. The office also administers the Cowboy Parents scholarship, provides programming during New Student Orientation and sponsors two family weekends each year; Dad’s Day in the fall semester and Mom’s Day in the spring. Parents and family members can stay informed about important OSU dates, deadlines, and upcoming events by subscribing to the monthly Cowboy Parents newsletters at http://parents.okstate.edu/.

**Religious Life**

Campus religious centers, supported by state and national church bodies specifically to serve the University community, provide opportunity for worship in both traditional and contemporary services; religious education commensurate with higher learning for the development of the whole person; counseling that maintains a spiritual basis for the cohesion and meaning of life; and social activities which allow relationships and life views to deepen. The 18 religious centers have strategic locations close to campus and, in addition to their own ministry, coordinate many of their efforts with each other, other campus religious organizations and the University administration through the Interfaith Council.

**Student Volunteer Center**

Since the Student Volunteer Center’s inception in 1984, Oklahoma State University students have served at hundreds of non-profit agencies, building a reputation of civic responsibility within higher education and other communities in Oklahoma. Working together toward a common goal, the Student Volunteer Center has had an impact on communities worldwide. The focus of the Student Volunteer Center is to provide OSU students with opportunities that reflect academic needs and personal interests. Working with local, state and national non-profit agencies, students at Oklahoma State University are provided with opportunities to grow and excel through meaningful hands-on involvement in service, research and academic activities. Through information sessions and an annual part-time work and service fair, a traditional fall event, the Student Volunteer Center keeps students informed about upcoming events and needs in the local community. Through civic engagement participation, students learn and develop through active participation in thoughtfully organized service experiences that meet actual community needs. Undergraduate students completing 400 hours of service during up to five years at OSU, and graduate students completing 300 hours of service during their academic programs are eligible to wear the Orange Honor CORD at graduation. The Student Volunteer Center continues to enrich lives of our community members through intergenerational and interpretive service projects. It is only through the exceptional spirit of volunteerism at Oklahoma State University that the SVC records immense success in its programs and activities. With more than 1,064,290 hours of community service recorded, we continue to set and reach new goals.

Further information is available on the Internet at http://volunteer.okstate.edu/.

**Student Development Transcript**

The Student Development Transcript (SDT) gives OSU students the opportunity to record their co-curricular activities and volunteer service in a format similar to an academic transcript. Involvement in all campus organizations may be included. The transcript can be used with applications for scholarships, honorary organizations and with resumes for job applications. Students login to CampusLink at https://campuslink.okstate.edu to begin their transcript. You may contact the Department of Leadership and Campus Life at campuslink@okstate.edu for more information.

**Student Union Activities Board**

SUAB is the premier programming board at Oklahoma State, enriching OSU through cultural, entertainment and recreational activities. Students in SUAB coordinate events that are as diverse in nature as the students at OSU, such as concerts, comedians, speakers, movies, bingo, karaoke, murder mystery dinners, laser tag, OSU’s largest Talent Show, the Spirit Walk and Dragonfly, as well as many other events. SUAB has five programming committees and five administrative chairs. It is one of the most active campus organizations at OSU. Find us at http://suab.okstate.edu/.

Tanya Massey—Assistant Director, Residential Life

The Department of Housing and Residential Life offers 31 residence halls, six family-first neighborhoods, several special interest housing...
options and countless leadership activities for residents. Students who live on campus graduate earlier and maintain higher grades than their off-campus counterparts. More than 500 students are involved in planning and leading educational, recreational and social activities within the halls.

Freshmen are required to live in campus-approved housing. Students are expected to comply with this University policy. Students who are required to live on campus will automatically be billed and assigned if they fail to submit a housing contract. Subject to verification and authorization by the university, students will be given permission to live off campus provided any one of the exemption categories listed is satisfied:

- A student is residing and continues to reside in the established primary residence of her/his parents (or legal guardian) if it is within a 30-mile radius of OSU. The parents must have established their primary residency at least six months prior to the request for an exemption. Legal guardianship must have been established by the court of law at least one year prior to a request for an exemption in order to be considered. Click here (https://reslife.okstate.edu/site-files/documents/osu-reslife-housing-exemption-form-1-15-2020.pdf) to download a copy of the Exemption from University Housing form(s);
- A student is married or has dependent children living with the student;
- A student is 21 years of age or older on or before the first day of classes of the initial semester of enrollment;
- A student has successfully completed 28 or more hours of academic credit prior to the student’s enrollment or re-enrollment. Credit earned by exam (Advanced Placement, CLEP, ACT, SAT) and hours received from concurrent high school credit are not considered;
- A student has served in active military service, as verified by a discharge certificate (DD214);
- A student presents sufficient evidence of an extreme medical condition, as documented by her/his treating physician for which on-campus accommodations cannot be made.
- A student presents sufficient evidence of an extreme financial hardship condition based on similar guidelines as for Financial Aid.
- A student presents sufficient and satisfactory evidence of extreme or unusual hardship that will be intensified by living in the residence halls.

All accommodations are rented on a contract date priority basis. While there is no deadline to apply for housing, prospective students are encouraged to return their applications and contracts at least nine months before the desired occupancy. This will improve the chances of receiving the preferred on-campus housing location.

**Traditional Halls, Suites and Apartments**

OSU offers four living styles to choose from when picking a place to live: traditional halls, modified traditional halls, suites, and apartments offer a variety of living accommodations. Traditional residence halls include Iba, Parker, Stout and Wentz Halls. University Commons features three modified traditional buildings offering housing for women in University Commons North, and all gender housing in University Commons South and University Commons West. Six suite buildings make up the area referred to as The Village. Suite units are also offered in Bennett, Allen, Booker, Jones, Patchin, Stinchcomb and Zink Halls. Apartments can be found in Bost, Carreker East, Carreker West, Davis, Kamm, Morsani-Smith, Payne-Ellis, Peterson-Friend, Sitlington and Young Halls.

All halls are open continuously throughout the academic year. Year round housing (9-month academic contract plus a summer contract) is available as well.

Studies show that living on campus can be more affordable than living off campus. Some students save as much as $500 per academic year by living on campus. Just one bill pays for a student’s rent, meal plan and all utilities including cable TV and Internet connection. Rates rarely increase during the academic year, even when roommate(s) move out.

Students are offered several lifestyle options. University Commons North houses women only. All other halls are co-ed. Residential Life offers numerous Living Learning Programs for students to consider when choosing their housing options. The LLPs are developed as partnerships and provide housing, programming, and faculty interactions based on major or area of interest. A complete list of all Living Learning Communities may be found at reslife.okstate.edu (http://www.reslife.okstate.edu).

In every residence hall there is a well-trained, professional staff member to coordinate the day-to-day operations of the building, as well as student staff whose primary function is to see that students benefit educationally from their residential living experience. Each floor or wing has a live-in staff member, the Community Mentor, who is responsible for assisting and guiding the residents. Student staff members are undergraduate students specially trained in all aspects of residential area living with the experience and knowledge to answer questions and act as an advisor for student governments and programs.

**Family and Graduate Student Housing**

Almost 600 apartments are available to serve students in the following priority: families, single graduate students, and single, upper-class undergraduate students. Priority is given to those single students who have lived in the residence halls.

Apartments are two-bedroom units with optional furnishings. The apartments have sidewalks, off-street parking, play areas and two community laundry facilities.

School bus transportation is provided to the Stillwater High, Junior High and Middle schools, and to Westwood and Will Rogers elementary schools.

The Family Resource Center, located in the Family and Graduate Student Housing area, offers a variety of programs to meet the needs of the residents. These programs vary depending upon the needs of the clientele. Typical programs include: English as a Second Language class (ESL), after-school programs, children’s programs, as well as cultural and social gatherings.

Family and Graduate Student Housing provide an on-site staff member, an Apartment Assistant (AA), who is readily available to the residents. Each AA has responsibility for about 90 apartments. The AA’s duties include helping residents resolve conflicts, meet neighbors and find appropriate community services. They also provide information about the facilities and the University, and provide referrals to appropriate University offices for residents’ needs. The AA can be a very helpful person for all residents.

Vehicle Registration and Parking Regulations
Any motor vehicle parked on University property between the hours of 5:00 a.m. and 5:00 p.m., Monday through Friday, must display a valid OSU paid parking permit or pass. The color and type of permit indicates the area where the vehicle may be parked. Use of a motor vehicle on University property is a privilege, not a right, and is made available only under the policies established in the University Parking and Traffic Regulations manual currently in effect. Any vehicle driven or parked on the campus of the University by an OSU student or employee should be registered with the OSU Parking Services.

The purpose of these regulations is to expedite the safe and orderly conduct of University business and to provide parking facilities in support of that function within the limits of available spaces. Purchase your permit online at www.parking.okstate.edu (http://www.parking.okstate.edu); new faculty or staff, vendor, handicap, university vehicle, carpooling, retiree, construction, registration, visitor or special permits must be purchased in person at the Parking and Transportation Services office. A copy of the OSU Parking Rules and Regulations booklet is available from the Parking Services office, 1006 West Hall of Fame on the corner of Monroe and Hall of Fame; or view online at www.parking.okstate.edu (http://www.parking.okstate.edu).

Bicycle registration with the OSU Department of Parking and Transportation Services is advantageous in the event the bicycle is stolen or lost. When bicycles are recovered by the department they are checked against bicycle serial numbers maintained in the registration files for return of the bicycle to the rightful owner. Permits are free of charge and can be obtained in-house or online (shipping fees will apply). Prior to obtaining a permit you are required to review safety guidelines before registering your bicycle. You can view the tutorial, and take the quiz online at http://stillwater.sharepoint.okstate.edu/Training/BicycleSafety/default.aspx.

University Dining Services
When it comes to food, it’s all about choices - and with 30 unique dining
options, there’s something for every Cowboy. From national franchises to
local favorites, healthy meals to indulgent snacks, the possibilities are
endless. Whether you want an early-morning coffee or need a late-night
snack, we’ve got it covered. We recognize that our students have varying
needs and tastes when it comes to food; that is why we offer some of the
most flexible plans in the nation.

Being a part of “America’s Healthiest Campus” means there are always
well-balanced, nutritious options for our customers. Our Choose Orange
food labeling program encourages students to choose healthier options
while dining on campus by easily identifying better-for-you choices
without having to read a nutrition label. The program is based on the
U.S. Dietary Guidelines and qualified items are identified by the Choose
Orange icon.

All freshmen living on campus are required to have a meal plan at the
bronze level or higher. Campus meal plans are available to anyone—on or
off-campus students, as well as any staff or faculty member.

How our Meal Plans Work
One week before the start of each semester, your meal plan amount is
automatically loaded on your student ID, which can be swiped at any
dining outlet on campus like a debit card. You can immediately spend
as much or as little as you want, whenever you want and your balance
doesn’t decline as you make purchases.

Your meal plan is valid anywhere you can eat or drink on campus,
including on-campus sporting venues. Each item on campus has a dollar
value associated with it, and you are only charged that specific amount
each time you use your meal plan to dine on campus—no “blocks,”
“meals,” or limits!

Didn’t use your full meal plan this semester? No worries! Each contracted
meal plan has a “rollover” amount that will stay with you from semester
to semester as long as you maintain a valid meal plan contract for the
following term (this does not include the non-contract G plan). To learn
more about everything UDS has to offer, please visit dining.okstate.edu
(https://dining.okstate.edu). For meal plan questions, call 405-744-4920,
email dining@okstate.edu, or visit the Meal Plan office at 301 Student
Union.

University Health Services
Chris Barlow, MHA—Director

Oklahoma State University is as interested in the student's physical and emotional well-being as it is in his or her intellectual and cultural development. Good health will not guarantee academic success, but it will help; while poor health, either physical or emotional, can impair both the academic and the extracurricular career.

University Health Services maintains a staff of full-time physicians, nurses, laboratory technologists, pharmacists, x-ray technicians, and other necessary support personnel who make a specialty of providing the best possible care at the least possible expense for the student.

University Health Services is an ambulatory primary care facility, designed to provide cost-effective, physician-directed health care to students. A list of services provided by University Health Services includes laboratory, x-ray, pharmacy and Nutritional services. A comprehensive list may be found at http://uhs.okstate.edu. In the event a medical condition exists that is beyond the scope of the services offered, referrals can be made to a family physician or a local physician in Stillwater. Emergency services are offered by Stillwater Medical Center 24 hours a day. University Health Services is fully accredited by the Accreditation Association for Ambulatory Health Care.

Health Requirements
All new students are required to complete and submit Immunization records and a health history form. Oklahoma law requires that students report their compliance with certain childhood immunizations: specifically measles, mumps, rubella (MMR), hepatitis B, and meningitis. Students may submit this information electronically by logging into their health portal at https://okstateportal.pointnclick.com and authenticate using their O-key login and password. Additional information about immunization compliance may be found at http://uhs.okstate.edu. Failure to comply may prevent future enrollment.

Tuberculosis Testing International Students
All international students are required to be screened for tuberculosis prior to being allowed to complete initial enrollment. This screening must be completed at University Health Services. If screening indicates that TB testing be performed, the student will be responsible for the cost of testing. No tests from outside the US will be accepted. A chest x-ray film from outside the US does NOT satisfy this requirement.

Tuberculosis Testing Domestic Students
Domestic students who meet any of the following criteria need to be screened for tuberculosis:

- Students who have resided outside the U.S. for more than eight weeks continuously, or
- Students with a health/medical condition that suppresses the immune system, or
- Students with known exposure to someone with active tuberculosis disease.

Mandatory Health Insurance for Non-Immigrant Students
The Oklahoma State University Board of Regents requires that non-immigrant students maintain health insurance as a condition of enrollment. The premium for the Student Health Insurance Plan will be included with tuition and fees for all non-immigrant Oklahoma State University Students. Please note that Oklahoma State University Human Resources no longer accepts insurance waivers (even for those who have already purchased their own health insurance). All international students will be enrolled in the university’s insurance. Questions regarding plan details and pricing should be directed towards Oklahoma State University Human Resources.

The insurance premium will be waived for students who provide documented evidence of health insurance coverage, including medical evacuation and repatriation, by an employer whose plan meets the standards of the Patient Protection and Affordable Care Act. Non-immigrant students employed by OSU and eligible for the OSU employee insurance plan will not be covered by the student plan. Documentation of health insurance through OSU as an employee of OSU must be presented to Oklahoma State University Human Resources.

Students employed by OSU as either Graduate Teaching Assistants or Graduate Research Assistants may receive the Student Insurance Plan as part of their assistantship. Please inquire about that with the academic department in which the assistantship is located.

If you have an appointment as an OSU Graduate Teaching or Research Assistant, OSU provides the student health insurance policy for you. You will be required to submit a request for waiver. Waivers are required to be submitted by the end of the fifth day of classes. Waiver forms can be found at http://iss.okstate.edu.
