American History & Government
HIST 1103 | Survey of American History               | 3     |
POL 1113  | American Government                      | 3     |

Analytical & Quantitative Thought (A)
MATH 2144  | Calculus I (A)                            | 4     |
CS 1113   | Computer Science I (A)                    | 3     |

Humanities (H)
Courses designated (H) | 6     |
Natural Sciences (N)
Must include one Laboratory Science (L) course
PHYS 1114  | College Physics I (LN)                   | 4     |
or PHYS 2014 | University Physics I (LN)               |       |
Course designated (N) | 2     |
Social & Behavioral Sciences (S)
ECON 2103  | Introduction to Microeconomics (S)       | 3     |

Additional General Education
Courses designated (A), (H), (N), or (S) | 6     |

Hours Subtotal | 40    |

Diversity (D) & International Dimension (I)
May be completed in any part of the degree plan
Select at least one Diversity (D) course
Select at least one International Dimension (I) course

College/Departmental Requirements
First Year Seminar
(Transfer students with 15 hours exempt) | 1     |
Arts & Humanities |                                        | 3     |
Natural & Mathematical Sciences
MATH 2153  | Calculus II (A)                          | 3     |

Mathematics Core
ENGR 1412   | Introductory Engineering Computer Programming | 2     |
MATH 2233   | Differential Equations                   | 3     |
MATH 3013   | Linear Algebra (A)                      | 3     |
MATH 3613   | Introduction to Abstract Algebra         | 3     |
or MATH 4023 | Introduction to Analysis                |       |
MATH 3583   | Introduction to Mathematical Modeling    | 3     |
MATH 4453   | Mathematical Interest Theory            | 3     |
STAT 4203   | Mathematical Statistics I               | 3     |
Select 9 hours of the following: | 9     |
MATH 4013   | Calculus of Several Variables           |       |
MATH 4023   | Introduction to Analysis                |       |
MATH 4063   | Advanced Linear Algebra                 |       |
MATH 4083   | Intermediate Analysis                   |       |
MATH 4143   | Advanced Calculus I                     |       |
MATH 4233   | Intermediate Differential Equations     |       |
MATH 4263   | Introduction to Partial Differential Equations |       |
MATH 4283   | Complex Variables                       |       |
MATH 4513   | Numerical Analysis                      |       |
MATH 4553   | Introduction to Optimization            |       |
MATH 4590   | Professional Practice in Mathematics    |       |
MATH 4663   | Combinatorics                           |       |
MATH 4753   | Introduction to Cryptography            |       |
MATH 5473   | Financial Calculus                      |       |
STAT 4213   | Mathematical Statistics II              |       |
Select 3 hours of the following: | 3     |
ECON 4213   | Econometric Methods                     |       |
ECON 4223   | Business and Economic Forecasting       |       |
STAT 4043   | Applied Regression Analysis             |       |
4000-level MATH or STAT

Professional Requirements
ACCT 2103  | Financial Accounting                    | 3     |
ECON 2203   | Introduction to Macroeconomics (S)      | 3     |
FIN 3113    | Finance (S)                             | 3     |
FIN 4223    | Investments                             | 3     |
FIN 4333    | Financial Management                    | 3     |
or FIN 4763  | Financial Futures and Options Markets   |       |
Select 3 hours of the following: | 3     |
4000-level course in MATH or STAT  
STAT 5053 Time Series Analysis  
Upper-division AGEC, ECON, or FIN  
MSIS 3103 End User Database Systems Design and Management  
MSIS 3393 Advanced Spreadsheet Modeling and Programming

Electives  
Select 17 hours  
May need to include 6 hours of a foreign language. (see note 3)  
May need to include 6 hours upper-division general education outside major department (see note 2.c.).  
Recommended:  
ACCT 2203 Managerial Accounting  
FIN 3613 General Insurance  
BCOM 3113 Written Communication  
or BCOM 3223 Oral Communication  
or SPCH 3723 Business and Professional Communication

Total Hours  
120

1. College and Departmental Requirements that may be used to meet Gen Ed Requirements.  
2. Minimum grade of B required for the Society of Actuaries' Validation by Educational Experience (VEE) certification.  
3. MSIS 2103 is required when MSIS 3103 or 3393 are selected.  
4. These courses should be selected when including pre-MBA preparation.

Other Requirements  
- See the College of Arts and Sciences Requirements.  
- Minimum grade of “C” or “P” in all MATH courses.  
- Upper-Division Credit: Total hours must include at least 40 hours in courses numbered 3000 or above.  
- Hours in One Department: For B.A. and B.S. degrees, no more than 54 hours in one department may be applied to degree requirements.

College of Arts and Sciences  
Requirements  
1. General Education Requirements  
No more than two courses (or eight hours) from the major department may be used to meet General Education and College and Departmental Requirements. The General Education required English Composition, required U.S. History, required American Government, one required MATH or STAT course, and required foreign language for B.A. degrees do not count against the two-course maximum.  
2. A&S College/Departmental Requirements  
   a. Arts and Humanities are defined as any course carrying an (H) designation or courses from AMST, ART, DANC, ENGL (except ENGL 3323 Technical Writing) HIST, MUSI, PHIL (except PHIL 1313 Logic and Critical Thinking (A), PHIL 3003 Symbolic Logic (A) and PHIL 4003 Mathematical Logic and Computability), REL, TH, and foreign languages.  
   b. Natural and Mathematical Sciences are defined as any course from the following prefixes: ASTR, BIOC, BIOL, CHEM, CS (except CS 4883 Social Issues in Computing), GEOL, MATH, MICR, PBIO, PHYS, and STAT; or courses from other departments that carry an (A) or (N) general education designation.  
   c. The required six hours of upper-division General Education may not include courses from the student’s major department. This requirement may be satisfied by courses also used to satisfy any part of a student’s degree program (i.e., in General Education, College Departmental Requirements, Major Requirements or Electives).  
   d. Non-Western Studies Requirement for B.A. and B.F.A.; One 3-hour course in Non-Western Studies (N.W.). This requirement may be satisfied by courses also used to satisfy any part of a student’s degree program (i.e., in General Education, College Departmental Requirements, Major Requirements or Electives).  
   e. The College of Arts & Sciences requires a minimum 2.0 GPA in all major requirements and a minimum 2.0 GPA in all major-prefix courses applied to the degree.  
3. Foreign Language Proficiency  
   a. The foreign language requirement for the B.A. may be satisfied by 9 hours college credit in the same language, which must include 3 hours at the 2000-level, or equivalent proficiency (e.g., passing an advanced standing examination; TOEFL exam; presenting a high school transcript which demonstrates the high school was primarily conducted in a language other than English; etc.). Computer Science courses may not be used to satisfy this requirement. Currently Arabic and Mvskoke are not offered at the 2000-level at OSU.  
   b. The foreign language requirement for the B.S., B.M. and B.F.A. may be satisfied by presenting a high school transcript which demonstrates two years of study of a single foreign language (passing grades at second-year level of study). It may also be satisfied by 6 hours college credit in the same language, which must include language courses 1713 and 1813, or equivalent proficiency (e.g., passing an advanced standing examination; TOEFL exam; presenting a high school transcript which demonstrates the high school was primarily conducted in a language other than English; etc.). Computer Science courses may not be used to satisfy this requirement.  
   c. In addition to a. and b., students pursuing teacher certification must meet novice-high foreign language proficiency by presenting a high school transcript which demonstrates two years of study of a single foreign language with no grade below B. Or, students may complete 3 hours college credit in a single language with no grade below C (or pass an advanced standing examination, College Level Examination Program (CLEP) exam, or Oral Proficiency Interview developed by the American Council on the Teaching of Foreign Languages, equivalent to 3 hours of college credit.) Or, students may meet the requirement by transfer of documentation of meeting the foreign language competency from one of the teacher education programs in the State of Oklahoma approved by the Oklahoma State Regents for Higher Education.  
4. Exclusions  
   a. Courses used to satisfy the General Education English Composition, U.S. History, American Government, and Mathematics or Statistics requirements will not count toward the 54-hour maximum allowed from one department.
b. Courses with ATHL or LEIS prefixes and leisure activity courses may not be used for degree credit.

5. Teacher Certification
   Students can satisfy the requirements for secondary schools teaching certification while earning a B.A. or B.S. in the College of Arts & Sciences. Those interested should see their Arts and Sciences advisor and the OSU Professional Education Unit in room 325 Willard.

Additional State/OSU Requirements

- At least: 60 hours at a four-year institution; 30 hours completed at OSU; 15 of the final 30 or 50% of the upper-division hours in the major field completed at OSU.
- Limit of: one-half of major course requirements as transfer work; one-fourth of hours earned by correspondence; 8 transfer correspondence hours.
- Students will be held responsible for degree requirements in effect at the time of matriculation and any changes that are made, so long as these changes do not result in semester credit hours being added or do not delay graduation.
- Degrees that follow this plan must be completed by the end of Summer 2025.
