

MATHEMATICS (MATH), MINOR

Requirements for Students Matriculating in or before Academic Year 2022-2023. Learn more about University Academic Regulation 3.1 (<http://catalog.okstate.edu/university-academic-regulations/#matriculation>).

Britney Mann, 401 MSCS, 405-744-5688

Minimum Grade Point Average in Minor Coursework: 2.00 with no grade below "C."

Total Hours: 22

Code	Title	Hours
Minor Requirements		
MATH 2144	Calculus I (A)	4
MATH 2153	Calculus II (A)	3
MATH 2163	Calculus III	3
Select 12 hours of MATH for which Calculus II (MATH 2153) is a prerequisite. ¹		12
Total Hours		22

1

9 hours must be upper-division; 3 hours must be at the 4000-level. MATH 3303 Advanced Perspectives on Functions and Modeling for Secondary Teachers is not permitted.

Additional OSU Requirements

Undergraduate Minors

- An undergraduate minor must include between fifteen and thirty hours, inclusive of undergraduate coursework.
- A minimum of six credit hours for the minor must be earned in residence at OSU.
- The courses required for a minor may be included in the course requirements for any undergraduate degree or they may be in addition to degree requirements, depending on the overlap between the minor and degree requirements. However, an undergraduate minor must be earned in an academic field other than the student's declared degree option. The minor may not duplicate the degree major or option (for example, a student who earns a BA in Art with an Art History option may earn a minor in Studio Art but not Art History).
- A student generally follows the minor requirements associated with his or her matriculation year or newer requirements that have been established since matriculation. The time limit for following requirements from a given academic year is six years.
