The Department of Veterinary Clinical Sciences is one of four academic
departments at the CVM. The Veterinary Clinical Sciences faculty are an
integral part of the Boren Veterinary Medical Hospital. The faculty train
veterinary students through hands-on experience and provide the highest
quality of care to clients and patients. In addition to training veterinary
students, there are several residents and interns in various sections of
the hospital who are guided by the VCS faculty.

Visit the Veterinary Medical Hospital webpage (https://cvhs.okstate.edu/
veterinary-medical-hospital/) to learn more about the faculty and staff
and the services they provide.

Internship and Residency Programs
The department offers graduate professional programs (internships and
residencies). Internships are one-year post-DVM clinical programs in
exotic, small animal critical care, shelter surgery, small or large animal
medicine and surgery.

Internships are designed in part to prepare DVM graduates for
residencies or graduate academic programs. Currently, internships are
offered in small animal medicine and surgery rotating, equine internal
medicine and surgery rotating, small animal emergency and critical care,
equine surgery & sports medicine, farm animal medicine & surgery, small
animal surgery specialty, shelter surgery and medicine, and zoological
medicine.

Residencies are three-year clinical programs in various disciplines
designed in part to prepare for specialty board certification. Currently,
residencies are offered in small animal surgery, equine internal medicine,
food animal medicine and surgery, ophthalmology and theriogenology.
Graduate academic programs may be available in association with
residencies.

Application Procedure
Most open positions are listed in the Veterinary Internship/Residency
Matching Program at www.virmp.org (http://www.virmp.org) and
applications are submitted through the VIRMP. Some programs may be
offered outside the match.
