

AEROSPACE STUDIES - AIR FORCE (AERO)

AERO 1111 United States Air Force Heritage and Values I

Description: This course allows students to examine general aspects of the Air Force, leadership, benefits, and opportunities for AF officers. As a foundational course, AERO 1111 also provides a historical perspective such as lessons on war and US military, AF operations, principles of war, and airpower. This provides students with a knowledge-level understanding of the Air Force way of life and the employment of air and space power, from an institutional, doctrinal, and historical perspective.

Credit hours: 1

Contact hours: Lecture: 1 Lab: 0 Contact: 1
