COLLEGE OF EDUCATION, HEALTH AND AVIATION

College Administration
John Romans, PhD—Dean and Executive Director of Professional Education
Bert Jacobson, EdD—Associate Dean for Research, Outreach, Engagement and Administrative Support
Adrienne Sanogo, PhD—Associate Dean for Academic Affairs

Campus Address and Phone:
Address: 106 Willard, Stillwater, OK 74078
Phone: 405-744-6350
Website: education.okstate.edu (http://education.okstate.edu)

The College of Education, Health and Aviation (EHA) includes the School of Community Health Sciences, Counseling and Counseling Psychology, the School of Educational Foundations, Leadership and Aviation; the School of Teaching, Learning and Educational Sciences; and the School of Kinesiology, Applied Health and Recreation. The College offers a wide range of undergraduate and graduate programs to prepare individuals for careers in teaching, administration, practice or research in the professional fields of education and health either in PK-12 schools, in institutions of higher education, or in a wide range of health agencies. There are a variety of degrees within the College at the bachelor’s, master’s, specialist and doctor’s levels that prepare individuals for productive lives in the global community (see the “Degree Programs” section of the Catalog).

Accreditation
In the College of Education, Health and Aviation, the Aviation Management and Professional Pilot options are accredited by the Aviation Accreditation Board International (AABI). The counseling psychology program and the school psychology program are accredited by the American Psychological Association. The school psychology program also is accredited by the National Association of School Psychologists. The counseling program with options in Mental Health Counseling and School Counseling are accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP).

The Recreation Management & Recreational Therapy program option in Recreational Therapy is accredited by the Commission on Accreditation of Allied Health Professions (CAAHEP), through the Committee on Accreditation of Recreational Therapy Education (CARTE).

All professional education programs are accredited by the Council for the Accreditation of Educator Preparation (CAEP) (formerly NCATE), and the Office of Educational Quality and Accountability (OEQA).

Statement on Diversity
The College of Education, Health and Aviation is committed to the promotion and affirmation of diversity in the broadest sense. We highly value the dignity and worth of individuals inclusive of their gender, race, ethnicity, nationality, sexual orientation, age, physical and mental abilities, religious beliefs, socioeconomic class, and other identities. Valuing diversity also extends to diversity of thought and perspective. We promote and create a dynamic community for personal transformation and social change with an atmosphere of respect and trust in which individuals explore, discuss and express their beliefs with one another.

High School Preparation
Students are expected to satisfy the high school curriculum requirements as determined by the Oklahoma State Regents for Higher Education. It is recommended that students be involved in clubs and organizations as well as have had some experiences working with children and youth, or other experiences related to their chosen fields.

Admission Requirements
Freshman students are admitted to the College of Education, Health and Aviation consistent with criteria published for admission to the University.

Criteria for students wishing to transfer into the College of Education, Health and Aviation include a required minimum grade-point average based on the University graduation and retention grade-point average policy.

</tbody>
</table>

Students pursuing degree options in Career and Technical Education non-certification option or Recreational Management and Recreational Therapy are required to maintain a 2.00 GPA. Students pursuing a degree in Elementary Education, Health Education and Promotion, Applied Exercise Science, or Sports and Coaching Science are required to maintain a 2.75 or higher GPA. All other degree options require a 2.50 GPA.

For continuing enrollment in good standing, the Professional Education Unit and some other programs require a minimum of 2.50/2.75 GPA for admission to Professional Education, student teaching and graduation. This requirement is consistent with state standards for students in the state of Oklahoma who complete professional education programs and seek certification.

Requests from students seeking readmission after having been placed under probation/suspension should be submitted to the Watson Family Student Success Center in the College of Education, Health and Aviation and will be reviewed by the Director of Student Academic Services prior to readmission. All student grades are reviewed at the end of each semester to determine whether appropriate academic progress is being made.

For graduation, with recommendation for Certification in Professional Education, the following minimum GPAs are required:

1. a 2.50 overall GPA (Elementary Education requires a 2.75);
2. a 2.50 GPA in the Major Requirements except Elementary Education and Secondary Education English which requires 2.75;
3. a 2.50 GPA in Professional Core Requirements (2.75 for Elementary Education); and
4. where noted, a 2.50 / 2.75 GPA in the College/Departmental Requirements.

The student must earn minimum grades of "C" or "P" in each course in the Major Requirements, the Professional Core Requirements, and where noted, the College/Departmental Requirements. The student must earn grades of "C" or "P" in all sections of observation (lab and
clinical experience) courses and clinical practice for recommendation for Certification.

Scholarships

The College of Education, Health and Aviation offers scholarships for undergraduate and graduate students in the School of Community Health Sciences, Counseling, and Counseling Psychology; School of Educational Foundations, Leadership, and Aviation; School of Teaching, Learning, and Education Sciences; and the School of Kinesiology, Applied Health, and Recreation. An up-to-date listing for EHA Scholarships can be found at https://education.okstate.edu/scholarships/index.html.

College of Education, Health and Aviation
Watson Family Student Success Center

Academic Advising

Academic advisement for undergraduate students is provided by the Watson Family Student Success Center, located in 106 Willard, in the College of Education, Health and Aviation. Students are assigned to an academic adviser in the Watson Family Student Success Center specializing in the student’s declared major. Academic advisers confer with their advisees on such matters as vocational counseling, course selection, academic problems, long-range professional goals, and semester-by-semester enrollment.

The requirements for the degree being sought are made known to the student when he or she first enrolls at Oklahoma State University. While the curriculum may change before a student graduates, a student who makes normal progress toward graduation (no more than two years beyond the normal four-year bachelor’s degree requirements) will be held responsible for the degree requirements at the time of matriculation and any changes that are made, so long as these changes do not result in semester credit hours being added or delay graduation.

Collegiate Success Program

The goal of the Collegiate Success Program is to assist students with their success in the classroom. This program individualizes assistance for those students who have been placed on academic probation. The Collegiate Success Program has three objectives which include:

1. Leading students to be successful at OSU.
2. Helping students to persist to graduation.
3. Helping students to become competitive in the job market.
• Assisting students in identifying individual strengths and needs.
• Assisting students in establishing academic goals based on those strengths and needs.
• Providing students with the skills necessary to succeed at the collegiate level.

Career Services
The College of Education, Health and Aviation has a career consultant available. The career consultant provides seminars and one-on-one advisement in career-related topics such as job search strategies, resume development, interviewing skills and career transitions. The services are available to undergraduate and graduate students and alumni. The career consultant also partners with many employers, including school districts, hospitals, non-profit organizations, and corporations, encouraging them to hire OSU graduates from the College of Education, Health and Aviation.

For more information logon to education.okstate.edu (http://education.okstate.edu).

Special Academic Programs
OSUTeach
The OSUTeach program is designed to recruit and train new secondary teachers in science and mathematics. OSUTeach offers four-year STEM degree options in biological science, chemistry, geology (earth science and/or physical science), mathematics and physics, which lead to teacher certification at the secondary level. OSUTeach is a collaboration between the College of Education, Health and Aviation and the College of Arts and Sciences. OSUTeach students begin supervised teaching in K-12 classrooms during their first semester in the program and continue these field experiences throughout their coursework, which culminates with apprentice teaching.

Bachelor of University Studies
The College of Education, Health and Aviation utilizes the Bachelor of University Studies degree program along with the other colleges in the University. Unique career objectives of students may be met by working with a faculty committee and academic advisers in selecting a specially-tailored program that ultimately leads to a degree.

The Honors College
Outstanding students in the College of Education, Health and Aviation who meet the requirements of the Honors College may earn The Honors College degree while completing their undergraduate degree in this college. For more information, please refer to the Honors College information in this Catalog.

Tutoring Program
The Randall and Carol White Reading and Math Center within the School of Teaching, Learning and Educational Sciences offers elementary education undergraduate and graduate students a faculty-supervised opportunity to tutor school-age children interested in improving their reading and math skills.

Professional Development Conferences
Additional outreach conferences may include the Oklahoma Association of Elementary School Principals, the Oklahoma Association of Environmental Educators; the Oklahoma Education Association Annual Leadership Academy; and the Adult Basic Education Conference.

Alumni Association
The College of Education, Health and Aviation sends an annual magazine to approximately 3,000 active members and communicate email news and announcements to alumni throughout the year. The Alumni Society Board provides professional support and an immediate network of professional contacts. The Alumni Association provides scholarships for students in the College of Education, Health and Aviation. The organization also sponsors a Homecoming reception and other welcome events for students and faculty gatherings.

General Education Requirements
All undergraduate degrees in the College of Education, Health and Aviation require a minimum of 40 semester hours in general education that include the following: English Composition, analytical and quantitative thought, United States history and government, natural science, social and behavioral studies, arts and humanities, diversity, international dimension and electives. All degrees are consistent with the current University General Education requirements and the Oklahoma State Board of Education standards.

Departmental Clubs and Honor Societies
College of Education, Health and Aviation Student Ambassadors
College of Education, Health and Aviation Graduate Student Association
College of Education, Health and Aviation Student Council
Educational Media and Technology Student Association
Educational Psychology Student Society
Elementary Educators of Tomorrow
Flying Aggies
Health Promotion Club
Kappa Delta Pi (education honor society)
Kappa Kappa Iota
Omicron Tau Theta
OSU National Science Teachers Association Student Chapter
Phi Epsilon Kappa (health, physical education, recreation management and recreational therapy honor society)
Physical Education Club
Pre-Physical Therapy Club
Rho Phi Lambda
Recreation Management Club
Recreational Therapy Majors Club
School Psychology Graduate Student Organization
Student Oklahoma Education Association

Education Outreach and International Studies
Education Outreach and International Studies work together to facilitate the delivery of EHA course work and academic programs. Consistent with the OSU mission and in conjunction with faculty and academic programs in the EHA, Education Outreach and International Studies provide support, services and programs to meet the professional needs of educators advancing the state of Oklahoma and the nation while promoting and facilitating engagement of the college and university with state, national and international communities.

The goals of Education Outreach and International Studies are to reflect the expertise and promote the accomplishments of the College of Education, Health and Aviation faculty and staff and to foster activities and learning that develop faculty and students for multiple futures. Specifically, these offices work to:
• facilitate campus-based degree credit which enables students to pursue their academic goals in ways that fit their schedule and personal situations;
• extend off-campus degree programs to individuals pursuing degrees and professional certifications through a variety of different methods;
• provide opportunities for international experiences linking campus faculty and students to a wide range of global locations through travel trips, student teaching and cohort programs;
• assist workforce development initiatives through non-credit educational opportunities for employed adults in educational and governmental environments;
• coordinate professional conferences for the educational community, including school professionals and administrators, educational associations and state organizations; and
• offer a wide array of community development and cultural enrichment opportunities.
