Additional OSU Requirements

Undergraduate Minors

- An undergraduate minor must include between fifteen and thirty
  hours, inclusive of undergraduate coursework.
- A minimum of six credit hours for the minor must be earned in
  residence at OSU.
- The courses required for a minor may be included in the course
  requirements for any undergraduate degree or they may be in addition
  to degree requirements, depending on the overlap between the minor
  and degree requirements. However, an undergraduate minor must be
  earned in an academic field other than the student's declared degree
  option. The minor may not duplicate the degree major or option (for
  example, a student who earns a BA in Art with an Art History option
  may earn a minor in Studio Art but not Art History).
- A student generally follows the minor requirements associated
  with his or her matriculation year or newer requirements that have
  been established since matriculation. The time limit for following
  requirements from a given academic year is six years.
