# MECHANICAL ENGINEERING: PETROLEUM, BSME

Requirements for Students Matriculating in or before Academic Year 2023-2024. Learn more about University Academic Regulation 3.1 ([http://catalog.okstate.edu/university-academic-regulations/#matriculation](http://catalog.okstate.edu/university-academic-regulations/#matriculation)).

Minimum Overall Grade Point Average: 2.00  
Total Hours: 130

</tr>
<tr>
<td>MAE 4583</td>
<td>Corrosion</td>
</tr>
<tr>
<td>MAE 4733</td>
<td>Mechatronics Design</td>
</tr>
</tbody>
</table>

**Hours Subtotal**: 58

**Total Hours**: 130

1 MAE requires grades of "C" or better for any course that is a pre-requisite or co-requisite to a required course on the degree plan.

2 Grades of "C" or higher in all Upper Division Major Requirements courses and ME Realization Category course and Capstone Design Category course.

**Graduation Requirements**

1. A "C" or better is required in each course taken that is designated with footnote 1 or footnote 2.

2. The major engineering design experience, capstone course, is satisfied by MAE 4344 Design Projects or MAE 4354 Aerospace Systems Design for Mechanical Engineers or MAE 4374 Aerospace Systems Design.

**Additional State/OSU Requirements**

- At least: 60 hours at a four-year institution; 30 hours completed at OSU; 15 of the final 30 or 50% of the upper-division hours in the major field completed at OSU.
- Limit of: one-half of major course requirements as transfer work; one-fourth of hours earned by correspondence; 8 transfer correspondence hours.
- Students will be held responsible for degree requirements in effect at the time of matriculation and any changes that are made, so long as these changes do not result in semester credit hours being added or do not delay graduation.

*Degrees that follow this plan must be completed by the end of Summer 2029.*
