Independent Study Opportunities

The doctoral advisory committee and the individual student will work together to select the most appropriate additional coursework for the Plan of Study. Students may wish to work one-on-one with a faculty member, or engage in an independent project in a field-based setting. These types of experiences are generally addressed within the independent study coursework, which allow flexibility in credit hours and academic assignments. These courses are generally established as contracts with a specific faculty member.

LEIS 5020 Workshop in Leisure Studies
LEIS 5030 Field Problems in Leisure Studies
LEIS 6010 Independent Study in Leisure Studies
LEIS 6020 Leisure Research Colloquium

Common Core
