Independent Study Opportunities

The doctoral advisory committee and the individual student will work together to select the most appropriate additional coursework for the Plan of Study. Students may wish to work one-on-one with a faculty member, or engage in an independent project in a field-based setting. These types of experiences are generally addressed within the independent study coursework, which allow flexibility in credit hours and academic assignments. These courses are generally established as contracts with a specific faculty member.

RMRT 5020 Workshop in Recreation Management
RMRT 5030 Field Problems in Recreation Management
RMRT 6010 Independent Study in Recreation Management
RMRT 6020 Recreation Management Research Colloquium
