**Hours Subtotal:** 12

**Independent Study Opportunities**

The doctoral advisory committee and the individual student will work together to select the most appropriate additional coursework for the Plan of Study. Students may wish to work one-on-one with a faculty member, or engage in an independent project in a field-based setting. These types of experiences are generally addressed within the independent study coursework, which allow flexibility in credit hours and academic assignments. These courses are generally established as contracts with a specific faculty member.

| LEIS 5020 | Workshop in Recreation Management                            |       |
| LEIS 5030 | Field Problems in Recreation Management                      |       |
| LEIS 6010 | Independent Study in Leisure Studies                         |       |
| LEIS 6020 | Leisure Research Colloquium                                  |       |

**Common Core**

| HHP 6723 | Curriculum Development in Health, Leisure and Human Performance | 3     |
| LEIS 6763 | Management in Health, Leisure, and Human Performance Settings  | 3     |
| LEIS 6043 | Ethical Issues in Health, Leisure, and Human Performance       | 3     |
