# Engineering Technology: Mechatronics & Robotics, MS

**Requirements for Students Matriculating in or before Academic Year 2021-2022.** Learn more about Graduate College Academic Regulation 7.0 (http://catalog.okstate.edu/graduate-college/#70).

## Thesis Option

**Total Hours:** 30

**Hours Subtotal**: 12  
**Total Hours**: 30

\(^1\) The MERO 5070 course is used for a creative component. A report (a "mini-thesis") must be submitted, prepared in the style of an M.S. thesis, but not submitted for Graduate College approval.

### Graduate College Master's Program Requirements

Learn more about Graduate College 2021-2022 Master's Degree Program Requirements [here](http://catalog.okstate.edu/graduate-college/). Check the General Graduate College academic regulations for minimal GPA, language proficiency and other general requirements.
