

MATERIALS, MECHATRONICS AND MANUFACTURING ENGINEERING

Undergraduate Programs

- Electrical Engineering Technology, BSET (<https://catalog.okstate.edu/engineering-architecture-technology/materials-mechatronics-manufacturing-engineering/electrical-engineering-technology-bset/>)
- Electrical Engineering Technology: Computer, BSET (<https://catalog.okstate.edu/engineering-architecture-technology/materials-mechatronics-manufacturing-engineering/electrical-engineering-technology-computer-bset/>)
- Mechanical Engineering Technology, BSET (<https://catalog.okstate.edu/engineering-architecture-technology/materials-mechatronics-manufacturing-engineering/mechanical-engineering-technology-bset/>)
- Mechatronics and Robotics, BS (<https://catalog.okstate.edu/engineering-architecture-technology/materials-mechatronics-manufacturing-engineering/mechatronics-robotics-bset/>)
